OSS to CIA, black budgets, Operation Paperclip, & Hidden Identities

okay it is Sunday night and I'm looking out at beautiful Washington DC

and as you can tell I have a great view this evening it's a Sunday night tonight before the Monday morning testimony I believe before the Judiciary Committee on the OIG report so that's gonna be tomorrow morning and I will be there live it in person to see the fireworks if there are any I hope there are a little bit courage

mr. Jim Jordan and mr. good luck and mr. gates to it mr. Gowdy to all go full wards get these documents so I'm posting this video just because I'm going to attach the interview number three and four that I had done now regarding um you know start the first two interviews were kind of starting in World War one and moving into World War two OSS to the CIA different players that were involved

dealt the Dulles brothers Hitler obviously Aleister Crowley in my six in my five how the OSS became the CIA the Vatican's involvement the indoctrination that occurred the different experiments that were done how MKULTRA was brought together under several different kind of philosophies or mythology's

I guess you could say some of it is really hard to listen to but it's the truth and it needs to be told because it's still happening so though as these interviews go long I move it into the United States and Canada in particular I mean it's a very lot of other places but United States in Canada really was infiltrated through black budgets by the CIA and went from OSS into CIA the Vatican was involved in that and MKULTRA 1950s Operation Paperclip

in how these Nazi scientists including Hitler and Mengele and Himmler and all these kind of the worst characters of all were secretly moved in to Argentina and South America

and then some of them were even brought up into the United States and they were given new identities [as sleepers just as they were in Latin American or groomed for Indonesia]

they were brought into universities hospital programs various secret sites black-budget sites where the experimentation continued on all kinds of things and all kinds of Americans especially small children and I'm going to lead into things like the Kinsey studies if anyone has looked into th
